ASA has been dedicated to
serving their members since
1966, by providing:

Continual Legal, Financial,
Tax and Insurance Updates

Industry & Partnering
networking events

Legislative outreach that
is beneficial statewide and
nationwide

Creating an opportunity for
Selected Business Partners
to share future projects
with ASA Suppliers/Specialty
Contractors

Pankow Builders...What a great presentation! We appreciate your involvement and sharing the benefits of partnering with your company. ASA is so proud to honor you as one of our Business Partners. Thank you guys....

Climatec

Ryan Cheng

For those who attended the last dinner meeting, you received valuable information from **Climatec**. It gave us an opportunity to learn more about the company, and the many areas in which they offer their expertise. Thank you Chris O'Reilly-Gronke for coordinating this dinner meeting.

We thank all of our Business Partners and Guest Speakers for enhancing our dinner meetings.

Thank you Pankow Builders for the iPad and Climatec for the gift cards. Your support is much appreciated with the raffle drawings.

We were privileged to have NAWIC (National Association of Women in Construction) share their upcoming Camp NAWIC.

June 24th - 28th 2019

Teaching our Campers -
Helping our Community
2019 Camp NAWIC Project

Thomas House Family Shelter
Apartment Remodel

Camp NAWIC provides a supportive and nurturing environment for high school girls to explore and develop basic skills in construction and safety areas such as carpentry, electrical, plumbing, sheet metal, landscaping, geology, concrete, and tile.

- Camp NAWIC offers high school girls a gender-neutral environment to learn and practice new skills.
- Camp NAWIC develops greater self-confidence and better self esteem for girls who tackle challenging projects and successfully complete them.
- Camp NAWIC develops a safety-first attitude and "we can do it" mind set via the safety and history of women in construction seminars on the opening day of camp.
- Camp NAWIC introduces high school girls to women role models who have achieved success in all areas of construction from tradeswomen to engineers, architects to accountants, project superintendents, supervisors and business owners to clerical support. The girls learn there is room in the construction industry for their dreams to come true.
- Camp NAWIC introduces students to valuable college, programs, trade programs and careers.
- Campers helping the community remodel an apartment for Thomas House Family Shelter.
- Campers spend Monday with Kayleen McCabel!

CAMP NAWIC IS NO COST TO THE CAMPERS.

For more information on
Camp NAWIC Summer Camp
please contact

Lynne MacVean & Leny Orozco at camp@nawicoc.org
(714) 446-8880 Ext. 236 | FAX (714) 446-8811

Camp Location:

Thomas House Family Shelter Complex
12622 Morningside Ave.
Garden Grove, CA 92843

Camp NAWIC could use your help with labor and/or
material....please reach out to them.

This is a worthy cause; let's give back to our community.

American Subcontractors is proud of the ASA members and their involvement in the construction industry. Our joint effort in moving the industry forward is noted and is well-respected for our commitment to the building industry.

MARK YOUR

Superior Wall Systems

We are thrilled to spotlight our ASA members:

“MASHindustries is a full-service millwork and cabinetry manufacturer offering state-of-the-art fabrication and professional installation for commercial projects. Our expert cabinet makers handle the fabrication of every piece of furniture to ensure our clients receive a custom product (and experience) of premium quality and value. Freshly finished projects like the new Shaw Contract showroom in Downtown Los Angeles, Google Irvine (Rapt Studio) and 9 Dots (Design, Bitches) are the types of projects we love to work on.

We are also proud to announce that we have moved to a new, bigger facility located in Buena Park, CA. The 70,000 square foot space is designed for optimum design, production, and installation of customer architectural millwork, commercial cabinetry and casework. Specializing in retail, hospitality, corporate and tech work spaces, healthcare and academic institutions, MASHindustries services range from estimation to project management, engineering to 3D-rendering, prototyping to high-end finishing, packing to a comprehensive detailed closeout. We have finished products in various millwork installations, commercial cabinetry, casework, reception desks, work stations, and conference tables. We are well-versed in honest materials from hardwood to plastic laminate, Corian to Caesarstone, metal, and upholstery.

As proud members of the American Subcontractors Association of Southern California, we are dedicated to improving the business environment in the construction industry and work with highly-skilled technicians and professionals - experts at their craft.”
