THAT DOES BUSINESS THE RIGHT WAY AND VALUES INTEGRITY?

We thank all of our Business Partners and Guest Speakers for enhancing our dinner meetings. The meetings provide us with valuable data; it gives us a chance to learn more about the company and the service they provide.

We had over 135 people attend the March meeting. If you have not been to an ASA meeting lately, you missed the “window of opportunity” to network with the business partners and the other specialty trades.

Thank you Hensel Phelps for the Target gift cards and Dittemore Insulation for your Lowes gift card. The attendees look forward to the raffle drawings.
