February Dinner Meeting

KPRS Construction Services

Bob Berenguer,
Vice President
& Operations Manager

What a great presentation from KPRS Construction. Thank you so much....which includes the humor you provided. We appreciate KPRS as one of our Business Partners, a company well-respected in the industry.

Thank you KPRS Construction for the generous ipad raffle donation.

Creating an opportunity for
Selected Business Partners
to share future projects
with ASA Suppliers/Specialty
Contractors

Fabric Wallcraft

The group really appreciates the opportunity to learn about other services our subcontractors/suppliers provide.

Fabric Wallcraft presented an excellent program. Thank you...

We encourage our subs/suppliers to consider a 10-15 minute presentation at the dinner meetings.

If you are considering to attend our dinner meetings, perhaps 2019 is the year. Over a hundred people attend, to network with the general contractors and to hear from our professional providers on issues that pertain to the construction industry.

American Subcontractors is proud of the ASA members and their involvement in

the construction industry. Our joint effort in moving the industry forward is noted and is well-respected for our commitment to the building industry.

“On behalf of Habitat for Humanity, I would like to request your help in making our upcoming Builders Blitz extra special. Since its inception, this chapter has built, rehabilitated or repaired over 800 houses here in our local area; touching 112 cities and unincorporated areas in Los Angeles County, including 70 communities within the City of Los Angeles. Our goal for the 2019 event is to raise funds to build a home – and we could not do this without the incredible support of local subcontractors, vendors and the community.

Habitat for Humanity is a 501(c) 3 non-profit organization working to bring people together to build homes, communities and hope.

The 2019 Home Builders Blitz will be located at 1932 E 119th Street Los Angeles, CA 90059. The Build is scheduled to start April 29, 2019 and be completed by May 7, 2019.

We are asking for your support of this event in one or more of the following ways:

- Sponsorship of the Blitz

Donations to Habitat for Humanity are tax deductible, but more importantly, go towards fighting the affordable housing crisis, ensuring a permanent path out of poverty through homeownership. If you are interested in making a donation for the Blitz, visit this link: <https://app.mobilecause.com/vf/LABLITZ/team> or mail a donation to Habitat for Humanity of Greater Los Angeles 8739 Artesia Blvd, Bellflower CA 90706, be sure to reference Clark Construction and Turner Construction in your gift memo. Let us know if you need **In Kind Form** to receive a tax statement from Habitat for Humanity acknowledging your contribution. On behalf of the nearly 1,000 homeless families who have been touched by the Habitat for Humanity LA experience since the chapter was founded in 1990, thank you for your consideration in supporting the 2019 Builders Blitz. If you have any questions or need any further information, please feel free to contact me. We hope you, too, will embrace this unique opportunity to change lives based on the conviction that every man, woman and child should have a simple, durable place to live in dignity.”

Sincerely,

Kaian Wang (kevin.wang@clarkconstruction.com)
